Dear Nursery  
Parents,

Thank you for your good attendance at the reporting evening. You will receive a leavers questionnaire. You will know how we can improve having been here for longer. This feedback is really important.

### **Holiday Security**

If you see anyone on site during the holiday please feel free to challenge them or even call the police if you suspect vandalism. There is no reason for anyone to be on school property. It is an arrestable offence to be here without permission. Your support is really appreciated in this.
