Headteacher: Mark Ingham B.Ed

NEWSLETTER Friday 18th May 2007

Dear Parents,

Mr Ingham is glad to be back, and thanks you for all your support. School continues to work well and is a tribute to the hard work of all staff.

Some final reminders and dates for your diary as we lead up to the half term break...

Founders Day

You are invited to Founders Day at the Almshouses next Friday (25th May) at 10:30. This is a wonderful Bedworth tradition. We leave school at 10:00am to walk to the almshouses. You are welcome to join us on the walk down or meet us there.

There is an interesting service followed by the giving of the buns. We will have the words to all the songs if you wish to have a copy.

School and nursery will be closed in the afternoon on that day.

School will close straight after afternoon registration, in line with other local schools.

Please collect your child from their class at 1:30.

Rhythm and Dance week

In grateful appreciation of everyone's hard work for OFSTED, children, parents and staff, we are providing a creative arts week. The Nicholas Chamberlaine's School Foundation and Hospital and Sermons Charity are providing the funds to pay for this.

Monday 4th there is a Samba workshop when we can experience the drums of Brazil for the whole school.

Wednesday 6th we are having popcorn and film of the original version of the

*Working for
Warwickshire*

Nicholas Chamberlaine's School Foundation

Wizard of Oz. (Please remind us of any specific dietary problems with pop corn).

Thursday 7th we are having a dance day about the Wizard of Oz.

Monday 11th June a whole school art day on the Wizard of Oz will provide a whole school theme for display until the end of the year.

Holiday Dates

We close for half term on FRIDAY 25TH May and return on June 4th.

Our last day before the summer holidays is Friday 20th July.

Holidays

Warwickshire Local Authority say the following '*. . .the Head Teacher will only be able to authorise such leave where there are exceptional circumstances that justify it. Lower costs or easier availability will not, of themselves, be a reason to authorise.*'

These *circumstances* are for parents serving in the armed forces who have no choice over holiday times or instances of family trauma.

It has to be said that our attendance this year has been much improved since this rule came in. This means that there have been about 500 days when children have been in beyond what we did last year. A whole year and a half's learning extra between us. That can be seen in how the children are achieving in class. Our standards when they leave us show how much they develop and leave them ready to learn in the juniors.

Parking in School.

This is not allowed. We are closing the big gates to remind everyone we do not invite anyone onto site when all the children are milling around. Yet again apparently there have been near misses.

Once you actually witness the trauma of motor accidents it is something you want to avoid at all costs. And we do, because we care. Please help us and keep your children safe.
