## NEWSLETTER

**Monday 19 March 2007**

Dear Parents,

### **Parking.**

**Cars should not enter through the school gates. There is no parking allowed in school to collect or drop off children. Please stick to this rule.**

We have had a lethal combination of children running and cars reversing with a few near misses reported. On school property only authorized official visitors are insured.

We have also had complaints from local

residents about litter. We are eager to maintain our good relationship with all our neighbours and ask that our parents and children are considerate and take their litter home, rather than dropping it in The Priors.

### **Sickness Bug**

We have had several children within both school and Nursery who have caught the latest sickness bug. This seems to be quite a nasty bug – please do not bring your child in to school if they are feeling unwell. If your child has been sick or had diarrhoea, they should not be sent to school until they have been clear of any symptoms for 24 hours.

### **Dance Club**

We are holding a breakfast Dance Club on Thursday 19 April, from 8.00am. If you would like your child to attend, please sign up in the school office.
