NEWSLETTER

Wednesday 31st January 2007

Dear Parents,

Bad Weather

If we are thinking of closing school because of bad weather there are a few ways to check. The school answerphone on 7631 4081 will have a message saying we're closed. (If you could pass that on to your friends it will save the line being busy all the time).

We will also be on local radio on a variety of stations. If you do make it to school there will be 'school closed' signs on the gates and very few people here.

The County Council also have a website with school closure announcements on it. It is at

<http://www.warwickshire.gov.uk/schoolclosure>.

This will also work if we have an emergency, for example a water or gas leak.

Spare Clothes

*Working for
Warwickshire*

We urgently need boys and girls socks and pants for 3 to 7's. These are in case of 'accident'. They gradually drop in number as they are not always returned. If you have benefited from our underwear please wash and return as soon as you can.

On your school uniform please remember to put your name on clearly. Iron on name labels are good, you can get sew on ones as well or simply write on them in pen.

Mid Day Supervisor

We have a vacancy for a mid day supervisor. We are currently filling the post on a supply basis. If you are interested, or know someone who is, please collect the forms from the office. We're committed to safeguarding our children so will take up references and run police checks.

Nicholas Chamberlaine's School Foundation

Parking.

There is no parking allowed in school to collect or drop off children. Please stick to this rule.

We have had a lethal combination of children running and cars reversing with a few near misses reported. On school property only authorized official visitors are insured.

Reception Class, Hello and Goodbye.

Mrs. Robinson will be returning to us the week after half term. Miss Lapworth is staying on until we employ a new Reception Teacher and then, sadly, will leave us. This will give a smooth transition for the children.

Breakfast Club

This is running really well and we are proud to be able to offer this to children and parents There are still spaces if you would like a place. The charge is £1.50 from 8:00 decreasing by 50p every quarter hour. Breakfast of a drink, toast or cereal is 25p a day. The children then move safely into school at 8:45.

School Holidays

Just a reminder. Unless there are really extenuating circumstances holidays cannot be authorised. We cannot

authorise for reasons such as cheap holidays for example.

This will improve overall results, but most importantly help every child to learn as much as possible at this crucial stage of their development.
