Heritage Weekend

This was a very interesting weekend. Thanks very much to the children and parents who came. It was fascinating learning about Canon Evans and what he did for the town. On the first Sunday in November there will be a talk about him at All Saints Church. If you are interested check the details with the Bedworth Heritage Trust.

After School Club

We are about to start an after school club, 3 to 4pm, based on our successful morning club. There have been a few expressions of interest. We will have a go and see what happens with numbers and cost etc. Details to follow.

‘What parents need to know’

We are running a series of informal meetings based around raising successful, happy children. Everyone is still welcome who is interested, you haven't missed much yet apart from tea and chat. Although we will definitely get busy with practical ideas proven to help you, and the moral support to keep

Tesco Sport Vouchers

The old computer vouchers are going in now, we have 25600 of those, well done! There are enough for a laptop or 15 controllable bees.

The sport vouchers are out now and offer us lots of play equipment. We really don't know where all the balls go, so we constantly need new ones. With your support Tesco can buy them for us. The vouchers finish on the 4th November. So please start collecting now. Elderly relatives are one good source, but they need to know in advance so they can do you proud. Thanks.
